FITS

All our garments are designed specifically for purpose. Our long standing 'Classic Fit' is exactly what you'd expect from everyday outdoor gear - slightly looser with a casual and relaxed feel.

For those who prefer to wander off track the 'Adventure Fit' offers a slimmer fitting throughout for added comfort.

We then have 'Active Fit', this is essentially our Pro Stretch gear. Designed to contour the body with cutting in specific areas for a slim fitted feel.

UPPER BODY

Classic Fit
A classic fit is slightly looser & gives a more relaxed fit to the cut.

Adventure Fit
A standard contemporary cut slimmer through chest, waist, hem & sleeve.

Active Fit
A body active cut with active fit styling & stretch.

WAIST

Classic Fit
A classic fit is slightly looser, sits higher on the natural waistline & gives a more relaxed fit to the cut.

Adventure Fit
A contemporary cut with ease of movement sitting below the natural waistline at the top of the hip.

Active Fit
A body active cut with active fit styling & stretch.
